I. ELIGIBILITY TO APPLY

The competitions for positions at INED are governed by decree no. 83-1260 of 30 December 1983.

1. **Nationality:**

French nationality is not required for persons wishing to enter an open competition for the position of researcher.

2. **Maximum age:**

There is no maximum age.

3. **Qualifications**

To be eligible for the position of **RESEARCHER, CATEGORY 2**, candidates wishing to submit an application for the open competition must satisfy one of the following conditions:

1) Hold one of the following qualifications:
   - A doctoral degree, as defined in article L. 612-7 of the French Code de l’éducation
   - A Doctorat d’État or doctoral degree;
   - A post-graduate degree in engineering sciences;
   - A post-graduate degree in odontological sciences (DERSO);
   - A post-graduate degree in human biology (DERBH);
   - A foreign university degree considered as equivalent to the above qualifications by the competent evaluation authorites of the Institute;

2) Provide proof of qualifications or of scientific research considered as equivalent to the above qualifications by the competent evaluation authorites of the Institute.

The following persons are entitled to apply without satisfying the above academic requirements:

- mothers or fathers who are raising or have raised three children (proof of parenthood (livret de famille) must be enclosed with the application);
- high-level athletes (supporting documents must be enclosed with application).

4. **Civic rights**

Applicants shall be in full possession of their civic rights and have no convictions for offenses that are incompatible with civil service employment.

5. **National service**

Applicants shall have accomplished, or be exempted from, their national service obligations.

6. **Medical fitness**

Applicants shall satisfy the medical fitness requirements for the position.

II. ORGANIZATION CHART

You will find the organization chart on the site of Ined:
