

INED is recruiting

1 senior tenured researcher *(directeur de recherche, category 2)*

INED will recruit one senior researcher in 2022. This tenured position is open to senior researchers at a reader/professorial level, and concern all disciplines covered at INED: Demography, population sciences and other sciences linked to demography.

The French Institute for Demographic Studies is a public research institute. Its missions include conducting cutting-edge research in all fields relating to demography and population studies, training junior researchers, and informing the public of its research activities. Thanks to its ten research units, INED encourages exchanges between disciplines and conducts a world-class research programme.
