Today's COVID-19 figures for Denmark

Updated daily at 14.

Note. Death figures do not include deaths from the last 24 hours. This is because the reporting system for eg. The cause of death register has been out of service since yesterday afternoon (June 24, 2020). This will be operational again today (June 25, 2020). Reservations must be made for the next 24 hours as doctors must be able to follow up on death certificate reports.
