<https://www.bag.admin.ch/bag/en/home/krankheiten/ausbrueche-epidemien-pandemien/aktuelle-ausbrueche-epidemien/novel-cov/situation-schweiz-und-international.html#1905396240>

Coverage

Death of COVID-19 laboratory-confirmed cases occurred in all places (e.g. hospital, care homes, others) in Switzerland and the Principality of Liechtenstein.

Data collection method

The published data is based on information submitted by laboratories, doctors and hospitals. Reports come from the surveillance system and hospital records. Death counts are constantly under revision, the figures might therefore deviate from those communicated by the cantons.
